TOP 10 STEPS FOR VISITORS TO TAKE DURING A HURRICANE EVACUATION

1. Contact your airline to determine if you can leave prior to the storm's arrival.
2. Seek alternative options to depart the area by train, bus or automobile if air travel is not an option.
3. Evacuate/depart early as roads may become congested and driving conditions may deteriorate.
4. Check with your hotel for assistance with accommodations in non-evacuation zones if you cannot depart the area.
5. Advise family and friends you are moving to a new location.
6. Monitor local media as storm conditions can change rapidly.
7. Make sure you have enough cash on hand for immediate needs.
8. Keep cell phone charged since phone systems may not be operational after the storm.
9. Contact the **Hotel Hurricane Hotline at 305.468.5900** for questions and assistance.
10. Be safe!
